REQUESTING CANCELLATION OF FIRST MEETINGS
IN DECEMBER

During the week of Thanksgiving, the employees have Thursday and Friday off - working three days during that week. This presents quite a problem in the City Clerk's office in having to attend Council meetings, take minutes and then immediately having to prepare for the next scheduled Council meeting.

The City Clerk recommended that beginning in 1989, Council cancel the first scheduled meeting in December as an established policy. There is a fifth Tuesday in 1988, so no meeting has to be cancelled..

Councilwoman McCandliss, although not disputing the problem, questioned the solution. City Manager Goss agreed that the problem is an accurate one. Councilman Moore commented there would be no adverse benefits to the public since the Council can schedule special meetings as needed..

ON CITY OWNED PROPERTY AT NORTHWEST CORNER
OF "H" STREET AND I-805

Assistant City Manager Asmus reported that Mr. Frank Ferreira has expressed a verbal interest in utilizing the City owned property at the northwest corner of "H" Street and I-805 as a tree nursery/farm as a part of his rather extensive tree nursery hobby that he has been engaged in for some time. While it will be necessary to develop an agreement between the City and Mr. Ferreira before the program could be implemented, the proposal on its surface seems to offer a number of advantages to the City. He recommended that Council approve the tree farm in concept and
