

ORDINANCE NO. 3291

ORDINANCE OF THE CITY OF CHULA VISTA AMENDING
CHAPTER 15.36 OF THE CHULA VISTA MUNICIPAL CODE
ADOPTING THE CALIFORNIA FIRE CODE, 2013 EDITION

The City Council of the City of Chula Vista does ordain as follows:

SECTION I. That Chapter 15.36 of the Chula Vista Municipal Code is hereby amended to read as follows:

**Chapter 15.36
FIRE CODE**

Sections:

- 15.36.010 California Fire Code, 2013 Edition, adopted by reference.
- 15.36.015 Definitions.
- 15.36.020 Violation penalties.
- 15.36.025 Failure to comply.
- 15.36.030 Response map updates.
- 15.36.035 Artwork.
- 15.36.040 NFPA 13-D meter size.

15.36.010 California Fire Code, 2013 Edition, adopted by reference.

There is hereby adopted and incorporated by reference as if fully set forth herein, the California Fire Code, 2013 Edition, known as the California Code of Regulations, Title 24 part 9, including Appendix Chapter 4 and Appendix A through K as copyrighted by the International Code Council, and the California Building Standards Commission, which code and associated appendices prescribe the regulations governing conditions hazardous to life and property from fire or explosion, as the Fire Code of the City of Chula Vista, excepting such portions as are hereinafter deleted, modified or amended as set forth in this chapter for the purpose of regulation and enforcement within the City of Chula Vista.

15.36.015 Definitions.

Chapter 2 Definitions - Section 202 of the Fire Code Portion of the California Building Standards Code is hereby revised to include the following definitions:

“Chief of the Bureau of Fire Prevention” means Fire Marshal.

“Fire Department” means any regularly organized fire department, fire protection district, a legally formed volunteer fire department recorded with the County of San Diego, or Fire Company regularly charged with the responsibility of providing fire protection to the jurisdiction.

“Fire Authority Having Jurisdiction (FAHJ)” means the designated entity providing enforcement of fire regulations as they relate to planning, construction and development.

“Fire Hazard” means anything that increases or could cause an increase of the hazard or menace of fire to a greater degree than customarily recognized as normal by persons in the public service regularly engaged in preventing, suppressing or extinguishing fire or any thing or act which could obstruct, delay, hinder or interfere with the operations of the fire department or egress of occupants in the event of fire.

“Fire Service Features” is a general term inclusive of all other terms such as driveway, fire lane, public street, private street, parking lot, lane and access roadway.

This Section 15.36.015 amends Section 202 of the Fire Code Portion of the California Building Standards Code only by adding those definitions specifically identified in herein. No other changes to Section 202 of the Fire Code Portion of the California Building Standards Code are contemplated or intended, and the balance of the definitions therein shall remain unchanged and continue in full force and effect.

15.36.020 Violation penalties.

Chapter 1 Scope and Administration - Subsection 109.4 Violation penalties of the Fire Code portion of the California Building Standards Code is hereby revised to read as follows:

Subsection 109.4 Violation penalties. Persons who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, install, alter, repair or do work in violation of the approved construction documents or directive of the fire code official, or of a permit or certificate used under provisions of this code, shall be guilty of a misdemeanor, punishable by a fine of not more than the greater of \$1,000 dollars or as established by the City of Chula Vista Policy and Procedures Manual for Civil Penalties or by imprisonment not exceeding six (6) months, or both such fine and imprisonment. Each day that a violation continues after due notice has been served shall be deemed a separate offense.

15.36.025 Failure to comply.

Chapter 1 Scope and Administration - Subsection 111.4 Failure to comply of the Fire Code portion of the California Building Standards Code is hereby revised to read as follows:

111.4 Failure to comply. Any person who shall continue any work after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be subject to a fine of not less than \$250.00 dollars or more than \$1,000 dollars.

15.36.030 Response map updates.

Chapter 5 Premises Identification - Subsection 505.3 Response map updates is hereby added to the Fire Code portion of the California Building Standards Code to read as follows:

Subsection 505.3 Response map updates. Any new development, which necessitates updating of emergency response map by virtue of new structures, hydrants, roadways or similar features, shall be required to provide map updates in a format compatible with current department mapping services (PDF and/or CAD format as approved by the FAHJ).

15.36.035 Artwork.

Chapter 8 Interior Finish, Decorative Materials, and Furnishing - Subsection 807.4.3.2 Artwork of the Fire Code portion of the California Building Standards Code is hereby revised to read as follows:

Subsection 807.4.3.2. Artwork. Artwork and teaching materials shall be limited on the walls of corridors and classrooms to not more than 20 percent of the wall area in non-sprinklered buildings and 50 percent in sprinklered buildings.

15.36.040 NFPA 13-D meter size.

Chapter 9 Fire Protection Systems - Subsection 903.2.8.2 NFPA 13-D meter size is hereby added to the Fire Code portion of the California Building Standards Code to read as follows:

Subsection 903.2.8.2 NFPA 13-D meter size. The minimum water meter size serving NFPA 13-D (dwelling) fire sprinkler systems shall be no less than one (1) inch in diameter.

SECTION II. FINDINGS AND DECLARATION

The City Council of the City of Chula Vista specifically and expressly finds and declares that each of the additions and amendments noted above to the 2013 Edition of the California Fire Code is necessary due to local climatic, geological and topographical conditions.

SECTION III. EFFECTIVE DATE.

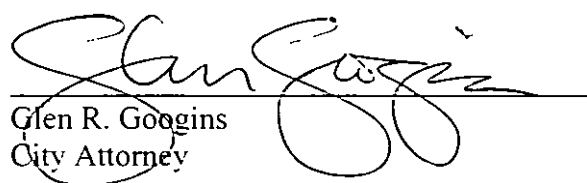

This ordinance will take effect and be in force thirty days after final passage.
