

ORDINANCE NO. 3455

ORDINANCE OF THE CITY OF CHULA VISTA AMENDING
CHULA VISTA MUNICIPAL CODE SECTION 2.60, LOST
AND STOLEN PROPERTY, TO CHANGE THE TITLE,
MINIMUM HOLDING PERIOD AND TO MAKE OTHER
UPDATES

WHEREAS, the Police, Parks, and Public Works departments of the City routinely encounter lost or unattended personal property in City parks and other City-owned property; and

WHEREAS, City staff collects, tags, and stores such for safekeeping to give the owner an opportunity to claim the property; and

WHEREAS, such property is retained at the Police Department, which has limited capacity, or at 707 F Street, the former City shops building; however, this location will become unavailable for storage use in the spring of 2019, requiring the City to find alternative means and locations to store lost and unattended property; and

WHEREAS, Chula Vista Municipal Code section 2.60.010, enacted in 1967, requires retention of such property for at least six (6) months; and

WHEREAS, pursuant to California Civil Code section 2080.4 and Civil Code section 2080.6, a city may provide by ordinance or regulations for the care, restitution, sale, or destruction of unclaimed property in the city's possession, so long as the ordinance requires the city to hold such unclaimed property for the State-law minimum of ninety (90) days; and

WHEREAS, staff has requested and demonstrated a need to reduce the required retention period for lost and unclaimed property from six (6) months to ninety (90) days for consistency with State law and to allow more efficient management of limited storage space in the Police Department and other City property; and

WHEREAS, Chula Vista Municipal Code section 2.60.150, Vesting of title to unclaimed property in finder, which applies to a found item turned in by a finder who wants to claim the item, requires the Police Department to advertise the found item in a newspaper of general circulation when the item is valued at \$25 or more; while these instances are rare, the staff time and ad costs to City for advertising exceeds the value of the found item because the value threshold is so low; and

WHEREAS, pursuant to California Civil Code section 2080.3, the value threshold requiring advertising found property when the finder wishes to claim the item is \$250; and

WHEREAS, staff has requested and demonstrated a need to increase the value threshold for advertising found property in which a finder seeks to claim the item from \$25 to \$250, to save staff time and City funds and for consistency with State law; and

Ordinance No. 3455

This chapter shall not apply to lost, strayed or unclaimed animals. (Prior code § 2.46).

2.60.130 Identification markings for certain impounded articles – Purpose and intent.

It is the purpose and intent of the city council to establish a procedure which authorizes the police department of the city to place identifying numbers upon certain articles which have been impounded during the course of investigation of theft, where said articles have had the identifying numbers removed or obliterated, thus making the possession of said articles illegal under the provisions of Section 537E of the California Penal Code. Said procedure is also intended for application to any articles which come into the possession of the police department for control or custody by any other process and which may also have had any identifying numbers or markings obliterated therefrom. (Ord. 1193 § 1, 1969; prior code § 2.10.1).

2.60.140 Identification markings for certain impounded articles – Procedure authorized.

The chief of police is authorized and directed to assign a distinguishing number or identification mark and affix said number or mark to any item, from which the manufacturer's name plate, serial number or any other distinguishing number or identification mark has been removed, defaced, covered, altered or destroyed, so that said article may be properly and legally returned to the possession of the person legitimately entitled to the ownership and possession thereof. (Ord. 1193 § 1, 1969; prior code § 2.10.2).

2.60.150 Vesting of title to unclaimed property in finder.

A. Valuation of \$250.00 or More. If the reported value of the property is \$250.00 or more and no owner appears and proves his ownership of the property within 90 days, the police department shall cause notice of the property to be published at least once in a newspaper of general circulation. If after seven days following the first publication of the notice, no owner appears and proves his ownership of the property and the person who found or saved the property pays the cost of the publication, the title shall vest in the person who found or saved the property, unless the property was found in the course of employment by an employee of any public agency, in which case the property shall be sold at public auction. Title to the property shall not vest in the person who found or saved the property or in the successful bidder at the public auction unless the required fee(s) is first paid to the city, county, or city and county whose police department caused the notice to be published.

B. Valuation of Less Than \$250.00. If the reported value of the property is less than \$250.00 and no owner appears and proves his ownership of the property within 90 days, the title shall vest in the person who found or saved the property, unless the property was found in the course of employment by an employee of any public agency, in which case the property shall be sold at public auction.

C. Exception – Bicycle. If the found or saved property is a bicycle, if no owner appears and proves ownership of the bicycle within 90 days, the title shall not vest in the person who found or saved the bicycle. All such unclaimed bicycles shall be sold at public auction or donated for charitable purposes pursuant to this chapter. (Ord. 2657 § 3, 1995; Ord. 2506 § 1, 1992; Ord. 2147 § 1, 1986; Ord. 1766 § 1, 1977).
