

RESOLUTION NO. 264

WHEREAS, California cities, towns and sanitary districts are being faced with problems of disposing of their sewage and industrial wastes under peculiar seasonal and climatic conditions which complicate the problems or make them unique, thus rendering inapplicable or of doubtful value methods and standards developed elsewhere, and

WHEREAS, these pressing problems are of vital concern to all communities, large and small, and their separate investigations would involve, in some cases, prohibitive expense and in many cases wasteful duplication of money and effort, and

WHEREAS, the State is the logical agency to undertake the solution of common problems, particularly those affecting the health of its citizens, now, therefore, it is hereby

RESOLVED, by the Board of Trustees of the City of Chula Vista that the action of the League of California Municipalities, at its last meeting, requesting the appropriation by the State of not less than \$65,000. for the establishment and maintenance during the next biennium of the proper and necessary facilities for investigations and research in methods of sewage and wastes disposal and treatment, be and the same is hereby endorsed and approved and this council does hereby respectfully urge the legislature of the State of California to adopt suitable legislation to accomplish these purposes,

RESOLVED, FURTHER, that the members of the legislature from the district in which this city (or town) is situated, are hereby requested to lend special effort to the furtherance of the purposes herein expressed and the adoption of the necessary legislation to accomplish the same.

RESOLVED, FURTHER, that the city clerk be and he is hereby directed to transmit certified copies of this resolution
